

MEYSAM ARAB

Project Manager, Programmer and Artificial Intelligence expert

Address (home): Shiraz city, Fars province, Iran

Postal: 7157815565 | Phone: +989171887437 | Email: arab.meysam@gmail.com | Website: www.meysamarab.com

www.meysamarab.ir

Education

MASTER OF ARTIFICIAL INTELLIGENCE | 09/2013 -04/2016 | SHIRAZ UNIVERSITY (INTERNATIONAL), SHIRAZ, IRAN

- Score: 18.43 out of 20
- MSc Thesis: USING HIDDEN RELATIONS BETWEEN WORDS IN WORD SENSE DISAMBIGUATION

BACHELOR OF COMPUTER SOFTWARE ENGINEERING | 09/2007 -08/2011 | ISLAMIC AZAD UNIVERSITY, SHIRAZ, IRAN

- Score: 17.95 out of 20

Skills & Abilities

MANAGEMENT

- As a project manager, I have managed many software projects at Fardan7Eghlim Co. (<https://f7e.ir>)
- Project manager for Bored Alchemist indie game development team. (<https://boredalchemist.com>)
- Project manager and Senior Programmer for ShahrSport development team. (<https://shahrsport.com>)

PROGRAMMING

I am an influent user of the following technologies:

- Unity (Game Development)
- Java (Native, Android Studio)
- PHP (Laravel)
- MySQL
- MQL4
- Git

I am familiar with the following technologies:

- Python
- .NET (ASP)
- SQL Server
- Perl (Native)

- R
- Matlab
- JQuery
- JavaScript
- SQLite

ARTIFICIAL INTELLIGENCE

- Evolutionary algorithms
- Machine Learning
- Text Mining
- Image Processing & Vision
- Probability and Statistics
- Information Retrieval

LANGUAGES

- Persian: native language
- English: fluent (listening, reading); intermediate (speaking, writing)
- Japanese: basic (speaking, listening)

Experience

PROJECT MANAGER & SENIOR | SHAHR SPORT | 06/2023-Present

- Startup Development.
- www.shahrsport.com

PROJECT MANAGER & SENIOR PROGRAMMER & SOUND & MARKETING | BORED ALCHEMIST INDIE GAME DEVELOPMENT | 11/2019-Present

- Development of games.
- www.boredalchemist.com
- www.wedontcry.boredalchemist.com

PROJECT MANAGER & PROGRAMMER | FARDAN7EGHLIM CO. | 04/2016-Present

- Development of websites, online systems, android app's, Games, startup ideas, etc.
- www.f7e.ir

SOFTWARE DEVELOPER | FANA CO. | 09/2014 - 03/2015

- Design of a messenger-based advertising system.

PRIVATE TEACHER | SELF EMPLOYED | 09/2011 - 08/2013

- Private classes in programming and software engineering

SOFTWARE DEVELOPER & PROGRAMMER | MILITARY SERVICE | 02/2012 - 07/2013

- Design and implementation of a human resources management system
- Design and implementation of a transfer and employment management system
- Design and implementation of a staff management system
- Design and implementation of an archive management system

SOFTWARE DEVELOPER & PROGRAMMER | SELF EMPLOYED | 03/2010 - 08/2010

- Design and implementation of a local network Telemarketing system.

Courses and Certificates

WORKSHOPS

- COGS (SDS Center)

SEMINARS

- Intellectual property (IPIC)

COURSES

- Secure Programming (Fars Provincial Information and Communications Technology Office)
- ISO & Standard Basis (Ofogh Novin Homa)

Published Papers

SEMINARS

- M. Arab, M. Z. Jahromi and S. M. Fakhrahmad, "A graph-based approach to word sense disambiguation. An unsupervised method based on semantic relatedness ", in Electrical Engineering (ICEE), 2016 24rd Iranian Conference on, Shiraz, 2016.

Area of interest for research & work

- Game Development, Web Development, Natural Language Processing, Machine Learning, Data Mining & Knowledge discovery, Developing Evolutionary systems, Statistical Pattern Recognition, Social Networks, E-commerce, Startup ideas, Image Processing & Vision, Information Retrieval, Recommender Systems, etc.
